**Dear Parents,
Suditi Naman,**

As you aware that COVID 19 pandemic caused all CBSE schools to function in online mode for most part of the academic session of 2020-21. Due to the extreme risk associated with the conduct of Board examinations during the second wave in April 2021, CBSE had to cancel both its class X and XII Board examinations of the year 2021 and results are to be declared on the basis of a credible, reliable, flexible and valid alternative assessment policy. This, in turn, also necessitated deliberations over alternative ways to look at the learning objectives as well as the conduct of the Board Examinations for the academic session 2021-22 in case the situation remains unfeasible.

In the above backdrop and in line with the Board's continued focus on assessing stipulated learning outcomes by making the examinations competencies and core concepts based, student-centric, transparent, technology-driven, and having advance provision of alternatives for different future scenarios, the following schemes are introduced for the Academic Session for Class X and Class XII 2021- 22.

Special Scheme for 2021-22

- A. Academic session to be divided into 2 Terms with approximately 50% syllabus in each term. The syllabus for the Academic session 2021-22 will be divided into 2 terms and the Board will conduct examinations at the end of each term on the basis of the bifurcated syllabus of classes X and XII.
- B. We always try to make Internal Assessment/ Practical/ Project work more credible and valid. Question papers of online exams will be released form CBSE, & the marks of these First term Exam (Home Based Exam) November-December 2021 will be uploaded on the CBSE portal immediately.
- C. If your ward remains absent in above exams, then he/she will get zero marks and their 50% assessment will be counted as zero. After that they will have to secure at least 66%+(penalty) marks in the year end Board exams to get qualified for next class.
- D. At least 75% attendance in the online classes will be compulsory for your ward students to appear in the Term/Year End exams. Hence you are requested to ensure daily attendance in currently running online classes.
- E. The Question Paper of Term-1 exam will have Multiple Choice Questions (MCQ) including case-based MCQs and MCQs on assertion-reasoning type. Duration of test will be 90 minutes and it will cover only the rationalized syllabus of Term I only (i.e. approx. 50% of the entire syllabus). Question Papers will be released by the CBSE.
- F. The exams will be conducted under the supervision of the External Center Superintendents and Observers appointed by CBSE.
- G. At the end of the second term, the Board would organize Term II or Year- end Examination.
- H. This examination would be held around March-April 2022 at the examination centers fixed by the Board.
- I. The final exam paper will be of 2 hours duration and have questions of different formats (case-based/ situation based, open ended- short answer/ long answer type).
- J. In case the situation is not conducive for normal descriptive examination a 90 minute MCQ based exam will be conducted at the end of the Term II also.

K. Marks of the Term II Examination would contribute to the final overall score.

L. Internal Assessment of Classes IX-X: (throughout the year-irrespective of Term I and II) would include the 3 periodic tests, student enrichment, portfolio and practical work/ speaking listening activities/ project.

M. Classes XI-XII: Internal Assessment (throughout the year-irrespective of Term I and II) would include end of topic or unit tests/ exploratory activities/ practicals/ projects.

N. Schools would create a student profile for all assessment undertaken over the year and retain the evidences in digital format.

If current pandemic situation will not become normal home assessment done after both term under supervision of external centre superintendents will be treated for as board exams.

Kindly be serious about the online study, attendance as well as test/exams conducted by the schools as all of the tests/exams conducted by school are very important.

If your ward is not taking the online classes conducted by school, please contact to the school immediately.

Wishing for your wards bright future.

Thanks

Dr. Ram Mohan
